Natural Bodyworks and Massage by Edith

*We've all have heard it, said it or thought it before,
"I need a massage." Once considered to be just
hedonistic pampering for the rich and famous, mas-
sage therapy is now finding enormous popularity for
millions of Americans.*

*Caring for yourself is your responsibility.
Helping you achieve that goal is mine.*

Natural Bodyworks and Massage by Edith

Massages

- **Medical:** Target and correct muscular dysfunctions.
- **Deep Tissue:** Focuses on the deeper layers of muscle tissue.
- **Pregnancy:** A must have for mothers to be, relieve the pressure on back, and promote circulation on lower limbs.
- **Relaxation:** Promotes general relaxation, improves circulation and range of movement, and relieves muscular tension.
- **Lymphatic drainage:** Very gentle and aims to encourage movement of lymph away from swollen areas.
- **Thai (table and mat):** Series of yoga stretches to relieve the fascia.
- **Cellulite:** Removes accumulated fluids out of the cells diminishing the dimple appearance.
- **Hot stone:** Deep heat is applied through medicinal balls to areas of the body to relieve muscular tension.

Body treatments

- **Cupping:** Helps to drain toxins, loosen adhesions, facilitate blood flow, and stimulate the body.
- **Body wraps:** Firms and tones the skin while detoxifying and re-sculpting the body.
- **Ear candling:** A hollow wax candle is lit in the ear canal to improve balance and hearing.
- **Hand and foot paraffin:** Relieve arthritic pain and soften the skin. Wonderful for cracked heels and dry hands.
